

TECHNICAL BULLETIN

Augusta

Combination Sour + Softener

Spring Fresh

Item #460305 - 5 Gallon, #460315 - 15 Gallon

PRODUCT DESCRIPTION

WHAT I AM

Augusta is a concentrated combination product for application to all fabrics in the final rinse cycle of a laundry machine. It not only neutralizes the pH of the finished wash to a comfortable level which will not irritate skin, it also softens the washed linen. It exhibits outstanding softening properties, reduces static cling, and leaves behind a pleasant "spring fresh" perfume.

PRODUCT FEATURES

- Neutralizes fabric pH which will not irritate skin and reduce fiber damage on fabric.
- Minimizes the graying or yellowing of fabric caused by residual alkali or mineral deposits left on the fabric.
- Converts harsh and rough fabrics to soft and fluffy ones in one application.
- Renders textiles with rich, fresh and pleasant scent.
- Mostly eliminates need to iron permanent press fabrics.
- Imparts anti-static properties to synthetics including polyester, nylon, rayon and more.
- Is safe to use on all water washable fabrics.

OPTIMAL APPLICATIONS

Hotels, motels, health care facilities, nursing homes, commercial laundries and restaurants.

OUR PROMISE

SAFER & STRONGER™

Get the best of both worlds with Cleanslate.

Our products are powerful enough to tackle your grimeiest surfaces – yet gentle enough for your health & our planet.
