## Augusta

### Combination Sour + Softener

Spring Fresh

*Augusta* is a combination product – containing a concentrated liquid fabric softener with a very pleasant “Spring Fresh” scent plus a concentrated souring agent, which can be applied to all fabrics in the final rinse cycle of a laundry machine. It renders harsh, rough fabrics soft and fluffy in one application, and assures all the fabric is neutralized, so there’s no need for a separate laundry sour product.

#### DIRECTIONS FOR USE

For Industrial Applications. Best if used through our automatic dispensing units.

Manual Use. Add 2 to 4 ounces per 100 pound load of laundry during final rinse.

For Home-style Applications. Add 1 ounce to load during final rinse cycle.

#### HAZARD STATEMENTS

Causes severe skin burns and eye damage.  
May be corrosive to metals.

#### PRECAUTIONARY STATEMENTS

Wear protective gloves, splash goggles, face shield, full suit, vapor respirator and boots. Do not breathe dust/mist. Wash thoroughly after handling.

#### FIRST AID

**Eye Contact.** Check for and remove any contact lenses. Flush with large quantities of water, holding eyelids open for 15 minutes. Seek medical attention immediately. **Skin Contact.** Wash skin with copious amounts of water. Seek medical attention immediately. **Inhalation.** Remove to fresh air. Seek medical attention immediately. **Ingestion.** Do not induce vomiting. Drink copious amounts of water. Seek medical attention immediately.

#### STORAGE

Store in original container protected from sunlight, in a well ventilated area, away from incompatible materials, and food and drink. Keep out of reach of children.

#### SPILL/LEAK

Avoid runoff into storm sewers and ditches which leads to waterways. Absorb spillage to prevent material damage.

#### DISPOSAL

Dispose of material in accordance with local, state and federal regulations.

#### HAZARDOUS INGREDIENTS

Phosphoric Acid (7664-38-2)
