Hampton

No Thaw Freezer Cleaner

Fragrance Free

Item #403004

4-1 Gallon

PRODUCT DESCRIPTION

WHAT I AM

Hampton is an environmentally safe ready-to-use alkaline cleaner for use in freezers, coolers, cold rooms and other areas with low temperatures. It cleans at sub-freezing temperatures without the need for defrosting.

PRODUCT FEATURES

- Formulated with a blend of surfactants and water-soluble solvents that result in rapid solubilization of difficult grease and oil-based soils from room temperature to freezer temperatures as low as -20°F.
- Dries fast at low temperatures leaving no sticky or slippery surfaces.
- Rinses freely from surfaces.
- Low foaming makes it ideally suited for recirculating cleaning applications such as floor scrubbers.
- Product is safe on all metals.

IDEAL FOR

Supermarkets, restaurants, schools, and food processing plants on all non-food contact surfaces.

OUR PROMISE

SAFER & STRONGER™

Get the best of both worlds with Cleanslate.
