Kingston

Hard Water Rinse Additive

Fragrance Free

Item #429004 - 4-1 Gallon, #429005 - 5 Gallon

PRODUCT DESCRIPTION

WHAT I AM

Kingston is a concentrated rinse additive designed to perform well even in hard water conditions. It is formulated with a blend of specialty surfactants plus organic acids combined with a foam suppressant to eliminate spotting and enhance flash drying of dishes. Foam levels in water are minimized to guarantee maximum cleaning power of dishwasher.

PRODUCT FEATURES

- Surfactant blend package with active foam suppressant provides dishes and glassware free of all spots.
- Contains organic acid to assist in promoting spot-free drying even in hard water and high mineral content water.
- As a concentrate that performs well even in high TDS and hardness conditions it is a very cost effective product.
- Product is colored blue to allow visual control in injector.

IDEAL FOR

Hotels, motels, health care facilities, nursing homes and food establishments.
