## Atmore

## Enzyme Detergent

Fragrance Free

Atmore is a premium quality phosphate free, triple enzyme fortified, peroxygen powdered laundry compound created specifically for shirt laundries. It has been specially formulated to deliver outstanding performance on white and mixed colored shirt loads. It contains an encapsulated color safe bleach blended with biodegradable synthetic detergents, a proprietary triple enzyme blend and a high level of non-phosphated detergent builders, and is equally effective in hard or soft water. It contains soil dispersants and suspending agents to prevent redeposition of soil, and an optical brightener for whiter whites and brighter colors. Excellent on cotton blends and synthetics.

### DIRECTIONS FOR USE

For commercial shirt loads typical effective use levels are 8 to 16 oz. per 50 lb. load. For more specific and optimal directions contact your Cleanslate representative.

#### DANGER HAZARD STATEMENTS

Risk of serious damage to eyes.  
Harmful if swallowed. May be  
corrosive to mests.

#### PRECAUTIONARY STATEMENTS.

Wear protective gloves, splash goggles, face shield,  
full suit, vapor respirator and boots. Do not breathe dust  
/mist. Wash thoroughly after handling.

#### FIRST AID

**Eye Contact.** Check for and remove any contact lenses.  
Flush with large quantities of water, holding eyelids open  
for 15 minutes. Seek medical attention immediately. **Skin  
Contact.** Wash skin with copious amount of water. Seek  
medical attention immediately. **Inhalation.** Move victims to  
fresh air. Flush mouth and nasal passage with water  
repeatedly. Seek medical attention immediately. **Ingestion.** Do not induce vomiting. Drink copious amounts  
of water. Seek medical attention immediately.

#### STORAGE

Store in original container protected from sunlight, in a well  
ventilated area, away from incompatible materials, and  
food and drink. Avoid heat, spark, open flames and other  
ignition sources. Keep out of reach of children.

#### SPILL/LEAK

Avoid runoff into storm sewers and ditches which leads to  
waterways. Vacuum or sweep up material and place in an  
appropriate disposal container.

#### DISPOSAL

Dispose of material in accordance with local, state and  
federal regulations.

#### HAZARDOUS INGREDIENTS

Sodium Percarbonate Peroxyhydrate (15630-89-4)  
Sodium Metasilicate Anhydrous (6834-92-0)
