Belfast

Premium Floor Stripper

Fragrance Free

Belfast is a heavy-duty floor finish stripper that penetrates deep, softens and lifts water based metal interlocked finishes extremely fast so that they can be easily picked up with a clean mop or wet vac. In most instances no machine scrubbing and rinsing is necessary. *Belfast* was designed for stripping resilient flooring and should not be used on painted surfaces, wood, linoleum or rubber.

DIRECTIONS FOR USE

Place "Wet Floor" signs around area to be stripped. Prepare *Belfast* floor stripper solution. **Suggested dilutions.** 4:1 for heavy-duty build-up; 8:1 for medium duty build-up; 16:1 for light duty build-up. Liberally apply stripping solution to the floor. Allow product to remain on surface for 6-8 minutes. Manually scrub all corners and edges that the machine cannot reach. Scrub the floor with a machine equipped with appropriate stripping pad or brush. Do not allow stripping solution to dry onto floor. If this occurs, re-wet surface with stripping solution and scrub. Pick up the stripping solution with a wet vac. Damp mop area including all corners and edges with clean water. Allow floor to air dry thoroughly before applying sealer or finish.

DANGER

HAZARD STATEMENTS

Causes severe skin burns and eye damage.

PRECAUTIONARY STATEMENTS

Wear protective gloves, splash goggles, face shield, full suit, vapor respirator and boots. Do not breathe mist /vapors /spray. Wash thoroughly after handling.

FIRST AID
