## Buffalo Premium Spray Buff

Fragrance Free

*Buffalo* is formulated by using a floor finish polymer blended with a high quality detergent for removing scuffs, black heel marks, and scratches without disturbing the finish on the floor. Buffalo minimizes floor care maintenance expenditures by reducing the cost of stripping, sealing, and refinishing. Spray buffing provides important preventive maintenance when used to restore traffic lanes, to remove scratches, or to add a high gloss to an already waxed or finished floor.

### DIRECTIONS FOR USE

1. Floors must be clean. 2. Spray Buffalo lightly over a 4' square area in front of, or alongside, the floor machine. Too much Buffalo will take more time than needed so just mist the area. 3. Start buffing immediately, moving the machine left to right or back and forth. There are a number of floor pads available; however, we suggest using only a buffing pad when spray buffing. 4. When floors have been buffed dry, turn pad over and buff to a high gloss. Buffalo adds no protection to the floor and is for maintaining appearance only. 5. Buffalo may be used with floor machines of all speeds. 6. After you have finished buffing, dust mop the floor. 7. Damp mop if necessary.

### WARNING HAZARD STATEMENTS

May cause eye and skin irritation.

### PRECAUTIONARY STATEMENTS

Wear protective gloves, splash goggles and protective clothing. Wash thoroughly after handling.

### FIRST AID

**Eye Contact.** Check for and remove any contact lenses. Flush with large quantities of water, holding eyelids open for 15 minutes. Seek medical attention if symptoms persist. **Skin Contact.** Wash skin with copious amount of water. Seek medical attention if symptoms persist. **Inhalation.** Remove to fresh air. Seek medical attention if symptoms persist. **Ingestion.** Do not induce vomiting. Drink copious amounts of water. Seek medical attention immediately.

### STORAGE

Store in original container protected from sunlight, in a well ventilated area, away from incompatible materials, and food and drink. Keep out of reach of children.

### SPILL/LEAK

Put on appropriate personal protective equipment. Move container from spill area. Dilute with water and mop up if water soluble or absorb with an inert dry material and place in an appropriate waste disposal container.

### DISPOSAL

Dispose of material in accordance with local, state and federal regulations.

### HAZARDOUS INGREDIENTS

None.
