## Clanton

## Solid Laundry Detergent

Oxygen Bleach

Clanton is a highly concentrated built solid laundry detergent with oxygen bleach. It combines a fully balanced detergent with a non-caustic alkali break and an oxygen bleach to deliver safe and superior cleaning plus stain removal for personal clothing and mixed loads in institutional and on premise laundries. As a solid, it is easy to handle, economical, and occupies very little space.

### DIRECTIONS FOR USE

Clanton is for industrial use only. It should be used in a wash formula specifically designed to meet the needs of your facility.

Consult your Cleanslate technical representative for specific use directions.

#### WARNING HAZARD STATEMENTS

May cause skin irritation, may cause serious eye damage.

#### PRECAUTIONARY STATEMENTS.

Wear protective gloves and eyewear protection. Wash thoroughly after handling.

#### FIRST AID

**Eye Contact.** Check for and remove any contact lenses. Flush with large quantities of water, holding eyelids open for 15 minutes. Seek medical attention immediately. **Skin Contact.** Wash skin with copious amount of water. Seek medical attention if symptoms persists. **Inhalation.** Move victims to fresh air. Flush mouth and nasal passage with water repeatedly. Seek medical attention if symptoms persist. **Ingestion.** Do not induce vomiting. Drink copious amounts of water. Seek medical attention immediately.

#### STORAGE

Store in original container protected from sunlight, in a well ventilated area, away from incompatible materials, and food and drink. Keep out of reach of children.

#### SPILL/LEAK

Avoid runoff into storm sewers and ditches which leads to waterways. Vacuum or sweep up material and place in a designated, labeled container.

#### DISPOSAL

Dispose of material in accordance with local, state and federal regulations.

#### HAZARDOUS INGREDIENTS
