Dixon

High Gloss Floor Finish

Fragrance Free

Dixon is a new generation floor finish with the most advanced polymer technology designed to work with most maintenance methods and equipment on all types of floors. Easy to apply. Recoats and blends well with existing coats. Excellent resistance to scuffs and black heel marks. Levels with no streaks or mop trails. Each coat dries in 30 to 45 minutes.

DIRECTIONS FOR USE

Note. Water or other foreign substances will cause any floor finish to become slippery. Always use a “wet floor” sign when moisture is present. **Initial Application.** 1. Remove all old wax and floor finish with appropriate stripper. 2. Rinse floor thoroughly and allow to dry. 3. Using a clean mop, apply a thin, uniform coat of finish, allow to dry thoroughly (30 to 40 minutes). 4. Apply additional coats in the same manner to let dry. For very porous floors, an initial coat of floor sealer is recommended. **Day-to-Day Maintenance.** 1. Sweep or dust mop as necessary. 2. Damp mop with proper cleaner as per directions on label. For accumulated soil, lightly scrub as required. 3. After cleaning, burnish floor as needed to maintain gloss. Use only ultra high speed buffing pads.

WARNING

HAZARD STATEMENTS

May cause eye and skin irritation.

PRECAUTIONARY STATEMENTS

Wear protective gloves, splash goggles, face shield and boots. Wash thoroughly after handling.

FIRST AID

Eye Contact. Check for and remove any contact lenses. Flush with large quantities of water, holding eyelids open for 15 minutes. Seek medical attention if symptoms persist. **Skin Contact.** Wash skin with copious amount of water. Seek medical attention if symptoms persist. **Inhalation.** Remove to fresh air. Seek medical attention if symptoms persist. **Ingestion.** Do not induce vomiting. Drink copious amounts of water. Seek medical attention immediately.

STORAGE

Store in original container protected from sunlight, in a well ventilated area, away from incompatible materials, and food and drink. Keep out of reach of children.

SPILL/LEAK

Put on appropriate personal protective equipment. Move container from spill area. Dilute with water and mop up if water soluble or absorb with an inert dry material and place in an appropriate waste disposal container.

DISPOSAL

Dispose of material in accordance with local, state and federal regulations.

HAZARDOUS INGREDIENTS

None.
