Fontana

Extraction Carper Cleaner

Mountain Burst

Fontana is a concentrated low foaming carpet and upholstery cleaner that can be used with all types of extraction machines. It is excellent for use as a carpet spotter. It leaves no sticky residue behind while leaving a clean and fresh scent emanating from the carpet. *Fontana* is safe on most carpet fibers including nylon, acrylic, polyester, wool and olefins.

DIRECTIONS FOR USE

Test a small hidden area of carpeting for color fastness (see directions below). 1. Remove movable furniture and vacuum thoroughly. 2. Pre-treat heavily soiled traffic lanes, spots or stains first. 3. Dilute *Fontana* with warm water in solution tank between 1:16 to 1:10 (8 to 12 oz. per gallon). 4. Follow equipment manufacturer's recommended directions. **DO NOT OVERWET.** 5. (Optional) Wet vacuum or extract with a clear rinse to remove excess solution and entrapped soil from carpet. 6. Allow carpet to dry. Vacuum thoroughly before reusing area. 7. Replace furniture. (If carpet is still damp, place aluminum or plastic pads under legs of furniture to prevent spotting.)

Spot Treatment: DO NOT SPRAY. 1. Pre-test colorfastness of carpet in inconspicuous area. 2. Remove any excess soil. 3. Apply solution to the spot. Do not over wet carpet. 4. Agitate with blunt tool working from edges to center. 5. Rinse with water and blot with dry white cloth. 6. If spot is not removed repeat steps 3-5.

WARNING

HAZARD STATEMENTS

May cause eye and skin irritation.

PRECAUTIONARY STATEMENTS

Wear protective gloves and eyewear protection.

Wash thoroughly after handling.

FIRST AID

Eye Contact. Check for and remove any contact lenses. Flush with large quantities of water, holding eyelids open for 15 minutes. Seek medical attention if symptoms persist. **Skin**

Contact. Wash skin with copious amount of water. Seek medical attention if symptoms persist. **Inhalation.** Remove to fresh air. Seek medical attention if symptoms persist. **Ingestion.** Do not induce vomiting. Drink copious amounts of water. Seek medical attention immediately.

STORAGE

Store in original container protected from sunlight, in a well ventilated area, away from incompatible materials, and food and drink. Keep out of reach of children.

SPILL/LEAK

Put on appropriate personal protective equipment. Move container from spill area. Dilute with water and mop up if water soluble or absorb with an inert dry material and place in an appropriate waste disposal container.

DISPOSAL

Dispose of material in accordance with local, state and federal regulations.

HAZARDOUS INGREDIENTS

None.
