## Hugo

# Carpet Cleaner

Mountain Burst

Hugo is a premium low to moderately foaming carpet cleaner that can be used with all types of extraction machines. Its advanced formula loosens, suspends, and encapsulates the soil and significantly retards re-soiling. Hugo is safe on most carpet fibers including nylon, acrylic, polyester, wool and olefins.

#### DIRECTIONS FOR USE

1. Thoroughly vacuum the carpet.
2. (a) Using a pump-up sprayer, apply Hugo diluted at 4 to 12 oz/gallon of water to the carpet, or (b) take the carpet bonnet and dunk it into a mop wringer and bucket set filled with Hugo diluted at 4 to 12 oz per gallon of water. Wring out the excess chemical.
3. Run a bonnet machine or a floor machine with a pad driver and carpet bonnet over the carpet. Flip the bonnet over or replace the bonnet as it becomes soiled.
4. Allow carpet to dry. Vacuum thoroughly before reusing area.

#### WARNING

#### HAZARD STATEMENTS

May cause eye and skin irritation.

#### PRECAUTIONARY STATEMENTS

Wear protective gloves and eyewear protection.

Wash thoroughly after handling.

#### FIRST AID

**Eye Contact.** Check for and remove any contact lenses. Flush with large quantities of water, holding eyelids open for 15 minutes. Seek medical attention if symptoms persist. **Skin Contact.** Wash skin with copious amount of water. Seek medical attention if symptoms persist. **Inhalation.** Remove to fresh air. Seek medical attention if symptoms persist. **Ingestion.** Do not induce vomiting. Drink copious amounts of water. Seek medical attention immediately.

#### STORAGE

Store in original container protected from sunlight, in a well ventilated area, away from incompatible materials, and food and drink. Keep out of reach of children.

#### SPILL/LEAK

Put on appropriate personal protective equipment. Move container from spill area. Dilute with water and mop up if water soluble or absorb with an inert dry material and place in an appropriate waste disposal container.

#### DISPOSAL

Dispose of material in accordance with local, state and federal regulations.

#### HAZARDOUS INGREDIENTS

Sodium Lauryl Sulfate (151-21-3)

Diethylene Glycol Monobutylether (112-34-5)
