Rugby

No Rinse Floor Cleaner

Fragrance Free

128 fl oz (3785 ml)

Rugby is a high performance floor cleaner, odor eliminator, and grease digester, recommended for use in commercial food service areas. No rinsing is required. It contains a blend of detergents, emulsifiers, builders, and non-pathogenic bacteria that have been specifically selected to digest complex proteins, starches, and fats. Rugby's unique bacterial action continues to clean between regularly scheduled cleanings to help keep grease accumulations to a minimum. Rugby is also particularly effective at cleaning and maintaining recessed areas in flooring surfaces, such as grouting and drain areas.

DIRECTIONS FOR USE

May be applied with auto scrubber, mop, brush, pump-up sprayer or pressure washer. For light duty cleaning and floor maintaining: dilute 1 to 2 ounces of product per gallon of water. No rinse is required. For medium duty floor cleaning: dilute 3 to 4 ounce of product per gallon of water. Rinse thoroughly with clean water. For grease, oil and other heavy duty floor cleaning: dilute 6 to 8 ounce of product per gallon of water. Rinse thoroughly with clean water. Apply product by spray, mop, sponge or auto-scrubber to surfaces to be cleaned. If necessary, agitate to help remove excessive soils. Rinse thoroughly with clean water as needed.

WARNING HAZARD STATEMENTS

May cause eye and skin irritation.

PRECAUTIONARY STATEMENTS

Wear protective gloves, splash goggles and protective clothing. Wash thoroughly after handling.

FIRST AID

Eye Contact. Check for and remove any contact lenses. Flush with large quantities of water, holding eyelids open for 15 minutes. Seek medical attention if symptoms persist. **Skin Contact.** Wash skin with copious amount of water. Seek medical attention if symptoms persist. **Inhalation.** Remove to fresh air. Seek medical attention if symptoms persist. **Ingestion.** Do not induce vomiting. Drink copious amounts of water. Seek medical attention immediately.

STORAGE

Store in original container protected from sunlight, in a well ventilated area, away from incompatible materials, and food and drink. Keep out of reach of children.

SPILL/LEAK

Put on appropriate personal protective equipment. Move container from spill area. Dilute with water and mop up if water soluble or absorb with an inert dry material and place in an appropriate waste disposal container.

DISPOSAL

Dispose of material in accordance with local, state and federal regulations.

HAZARDOUS INGREDIENTS

Proprietary formula containing bacterial culture and surfactants.
