Oxford

Color Safe Oxygen Bleach

Fragrance Free

Item #403305 - 5 Gallons, #403315 - 15 Gallons,
#403355 - 55 Gallon

PRODUCT DESCRIPTION

WHAT I AM

Oxford is color safe oxygen bleach designed for use in institutional type laundry machines.

PRODUCT FEATURES

- Destains and brightens without damaging or weakening fabrics, including cotton.
- Can be safely used on white and mixed color loads; a truly color safe bleach.
- Is much less corrosive to laundry equipment than chlorine bleach.
- Eliminates needs to add neutralizer to prevent residual chlorine from weakening fabric during ironing.

Caution Oxy Safe is an oxidizer and corrosive. Avoid all contact of Oxford with metals. Rapid decomposition with evolution of heat and pressure occurs when oxygen bleaches come into contact with transition metals such as iron and copper.

IDEAL FOR

Institutional laundries, hotels, motels, health care facilities, nursing homes and restaurants.

OUR PROMISE

SAFER & STRONGER™

Get the best of both worlds with Cleanslate. Our products are powerful enough to tackle your grimeiest surfaces – yet gentle enough for your health & our planet.

Phosphorous Free

Commercial Grade

Fast Acting

PRODUCT SPECIFICATIONS
