Selma

Kitchen Degreaser

Fragrance Free

Item #419304

4-1 Gallon

PRODUCT DESCRIPTION

WHAT I AM

Selma is a premium kitchen degreaser, highly effective for the removal of fats, greases, and carbon deposits. This product is also recommended for grills, deep fryers, and undersides of range hoods or canopies where grease and carbon accumulate.

PRODUCT FEATURES

- Formulation contains combined effects of moderate alkalinity, potent solvency, chelating agents, and dual emulsifiers that penetrate the toughest baked-on soils causing their complete removal without the need to scrub and scrape.
- Designed to be easily sprayed or brushed on horizontal surfaces for rapid and easy cleaning.
- Contains low foaming emulsifiers to aid in cleaning/ degreasing without the problem of excess foam.

Note: Due to alkaline nature of formulation, do not use on aluminum, cooper, galvanized, plastic composition tile, painted surfaces, and self-cleaning and/or continuous cleaning ovens.

IDEAL FOR

Kitchens of restaurants, cafeterias, schools, hospitals, nursing homes, bakeries, hotels and motels.
