Stockton

Liquid Laundry Destainer

Fragrance Free

Item #406105 - 5 Gallons, #406115- 15 Gallons,
#406155 - 55 Gallon

PRODUCT DESCRIPTION

WHAT I AM

Stockton (previously Power) is a powerful chlorine based bleach that enhances the performance of laundry detergents, eliminates most protein stains and aids in the removal of a broad spectrum of common food based stains. It also whitens and brightens the fabric.

NOTE

- Read care labels on fabric before using. In general, use on white fabric only; don't use on colored fabric unless care label specifically states it's compatible with chlorine bleach.
- Do not use on wool, silk and nylon fabrics.

PRODUCT FEATURES

- Extremely effective at removing many of the most difficult stains at relatively low temperature.
- Visibly improves brightness and whiteness especially on textiles that have grayed and yellowed with repeated laundering.
- Freshens fabric as it is an effective odor eliminator.
- Can be used as a pre-soak by immersing heavily stained garments in a container prepared by adding one ounce to one gallon of cool water - for approx. 5 min.
- Very economical, as it contains 12% available chlorine.

OUR PROMISE

SAFER & STRONGER™

Get the best of both worlds with Cleanslate.

Our products are powerful enough to tackle your grimeiest surfaces – yet gentle enough for your health & our planet.

Phosphorous Free

Non-Flammable

Fast Acting

Commercial Grade

PRODUCT SPECIFICATIONS

Physical Description	Clear Liquid
Color	Slightly Yellow
Odor	Chlorine
Flashpoint	None
pH (1%)	10.2 - 10.3
Viscosity	Water Thin
Weight per Gallon	9.9 lb / gal
