## PRODUCT DESCRIPTION

### WHAT I AM

Atmore is a premium phosphate free, triple enzyme blend and peroxygen powered laundry detergent designed specifically for shirt laundries. It's formulated to deliver outstanding performance on white and mixed colored shirt loads.

## PRODUCT FEATURES

- A powerful blend of nonionic and lipophilic surfactants, buffered alkalis, phosphate free water softeners and conditioners, soil suspending agents, optical brighteners and an oxygen bleach.
- Unique blend of emulsifiers affects release of sweat and body oils from shirts constructed from cotton, poly-cotton and all synthetic fabrics.
- Peroxygen compound present affects bleaching of food and other stains while not 'touching' dyes in colored shirts.
- Performance and rinsability unaffected by water hardness.
- Triple enzyme blend of amylases /proteases /lipases affect removal of a wide range of common food stains even at lower wash temperatures.
- Water conditioning agents and optical brighteners keep shirts bright and white wash after wash.

## IDEAL FOR

Commercial shirt laundries, health care facilities, hotels, motels and nursing homes.
