## Premium Floor Stripper

Organic Scent

Item #422705

5 Gallon

### PRODUCT DESCRIPTION

## WHAT I AM

A fast acting non-corrosive floor finish stripper that rapidly penetrates and solubilizes floor finish. Powerful solvents combined with penetrating amines dissolve the finish on contact, reducing the waiting periods for removal of the finish. This product completely evaporates from the surface and requires little - if any, scrubbing. Its non-corrosive formula has a lower pH than traditional strippers and does not require a neutralizer after stripping.

### PRODUCT FEATURES

- Fast Acting – quickly penetrates and dissolves multiple coats of finish.
- Can be removed completely with wet vacuum, mop and bucket, or automatic scrubbing machines.
- Non-corrosive, lower pH formula than traditional strippers; does not require neutralizer after stripping.
- Does not contain irritating ammonia fumes.
- Concentrated formula for economical use.
