

TECHNICAL BULLETIN

Dover

Laundry Alkali Builder

Fragrance Free

Item #4053

PRODUCT DESCRIPTION

WHAT I AM

Dover (previously Surge) is a multi-functional heavy duty laundry break which enhances the cleaning power of detergents, especially on heavy soiled textiles while directly saponifying the grease, oil and fats in very oily stains.

PRODUCT FEATURES

- High level of alkalinity accelerates the cleaning process especially of heavily soiled textiles by opening up the fabric fibers and begins releasing trapped soil particles.
- Highly concentrated formula causes saponification of oils, fats and greases in oily stains thereby solubilizing them into the wash liquor.
- Water conditioners present allow product to be effective even in hard water areas.
- Dover accomplishes so much while being environmentally friendly. It contains no eutrophication causing phosphates.
- Iron chelating agents protect wash against iron and rust causing fabric staining or yellowing.

OPTIMAL APPLICATIONS

Commercial laundries, hotels, motels, health care facilities, nursing homes, restaurants, food plants and meat plants.

OUR PROMISE

SAFER & STRONGER™

Get the best of both worlds with Cleanslate. Our products are powerful enough to tackle your grimeiest surfaces – yet gentle enough for your health & our planet.

Phosphorous Free

Non-Flammable

Fast Acting

Commercial Grade

PRODUCT SPECIFICATIONS

Physical Description	Clear Liquid
Color	Tan
Odor	Bland
Flashpoint	None
pH (1%)	13.0
Viscosity	Water Thin
Weight per Gallon	10.6 lb / gal
Storage Stability	1 year minimum
D.O.T. Shipping Label	UN3266, Corrosive Liquid, inorganic, n.o.s. (sodium hydroxide), 8, PGII
