Liquid Laundry Detergent

Lemon Scent
Item #4068

PRODUCT DESCRIPTION

WHAT I AM

Enterprise (previously Prodigy) is a fully balanced detergent effective as a stand-alone product for personal clothing in on premise laundries and home-style machines as well as in commercial and institutional laundries as part of a total laundry program.

PRODUCT FEATURES

- As a fully balanced formula it is the ideal workhorse for cleaning the mixture of oily and particulate soils common in personal clothing and mixed loads treated in industrial and institutional laundries. It is safely usable on any water washable fabric.
- Because of the water conditioners built into the formula, it is equally effective at high levels of water hardness as in soft water.
- Soil suspending agents present prevents re-deposition of soils, hence graying and/or dulling of fabric is minimized. With the additional presence of optical brighteners, the clothing comes out of the washer/dryer sharp and bright looking.
- Can be used in a total laundry program - with breaks, bleach, softener and sour, or as a stand-alone product in home-style machines.
