Fairmont

Rust Stain Reclaim

Fragrance Free

Item #4814

PRODUCT DESCRIPTION

WHAT I AM

Fairmont is used in commercial laundries [in the wash wheel] to remove rust stains, brighten linen that has dulled due to excess minerals in the water and reclaim linen that has been damaged from concrete stains. It is also used as a sour in extreme rust conditions.

PRODUCT FEATURES

- An absolutely necessary component in any effective reclaim formula.
- The most efficient method to remove rust stains from large quantities of rust-stained goods.
- An excellent laundry sour in high rust conditions.

DIRECTIONS FOR GENERAL USE

Set the wash formula as follows:

20 minute - low (starch level) hot water (180 degrees)

2 minute hot high level rinse

2 minute hot high level rinse

2 minute warm high level rinse

2 minute warm high level rinse

2 minute cold high level rinse

Then extract the load or proceed to a traditional rewash formula or a concrete rewash formula.

OUR PROMISE
