Degreaser + Cleaner

Item #4024

PRODUCT DESCRIPTION

WHAT I AM

Flint is a fast acting, penetrating and powerful grill and oven cleaner and degreaser that can be sprayed or brushed on surfaces for rapid, effective and easy cleaning of the toughest baked-on food soils and grease and grime.

PRODUCT FEATURES

- Formulation contains high alkalinity and potent solvency that penetrate the toughest baked-on soils causing their complete removal without the need to scrub and scrape.
- Solvent present neutralizes the bland but strong unpleasant odor associated with many oven cleaners.
- Designed to be easily sprayed or brushed on horizontal surfaces for rapid and easy cleaning.
- Contains low foaming emulsifiers to aid in cleaning/degreasing without the problem of excess foam.

Note: Due to highly alkaline nature of formulation, do not use on aluminum, copper, galvanized, plastic composition tile, painted surfaces, and self-cleaning and/or continuous cleaning ovens.

IDEAL FOR

Kitchens of restaurants, cafeterias, schools, hospitals, nursing homes, bakeries, hotels and motels.
