Florence

Industrial Detergent

Citrus Scent
Item #4020

PRODUCT DESCRIPTION

WHAT I AM

Florence is a powerful liquid detergent composed of surfactants, citrus solvents, and optical brighteners. For use where heavy soils are a common occurrence. Excellent for cleaning industrial type soils from uniforms, rags and restaurant linen. Provides superior cleaning action.

PRODUCT FEATURES

- Effective in many types of industrial and institutional laundries. Its cleaning and stain removal performance at temperatures of 110-120° F and below reduces energy costs substantially.
- Optical Brighteners present to renew brightness of whites and colored fabrics.
- Formulated with a high concentration of hydrophobic solvents and surfactants to be especially effective for removal of oily and greasy soils.
- Very effective even at temperatures as low as 120°F.
- Equally effective at high levels of water hardness as in soft water.

IDEAL FOR

Hotels, motels, health care facilities, nursing homes, commercial laundries, restaurants, food plants and meat plants.
