Jasper

Enzyme Detergent

Premium | Lemon Scented
Item #4154

PRODUCT DESCRIPTION

WHAT I AM

Jasper is a novel neutral pH liquid laundry detergent utilizing a unique blend of surfactants, water conditioners, and complex enzymes ideal for smaller institutional machines using lower temperatures to wash a broad range of laundry in hotels and healthcare facilities. At wash temperatures of 110 -120°F and lower it delivers excellent cleaning, superior whitening and broad stain removal.

PRODUCT FEATURES

- As a fully balanced formula fortified with a powerful multi-enzyme package, it is well suited for cleaning both the mixture of oily and particulate soils common in personal clothing as well as textiles specific to hotels, healthcare and restaurants. It is safely usable on any water washable fabric.
- Its cleaning and stain removal performance at temperatures of 110-120° F and below reduces energy costs substantially.
- Its near neutral pH formulation makes it safe and economical to use without the need of a laundry sour.
- Its powerful cleaning performance in the absence of alkaline builders dramatically extends fabric life.
- Its performance is maintained in hard water conditions - textiles come out of the washer/dryer sharp and bright looking.

IDEAL FOR

Hotels, motels, health care facilities, nursing homes and food establishments.
