Lincoln

Solid Flatware Presoak

Fragrance Free

Item #4803

PRODUCT DESCRIPTION

WHAT I AM

Lincoln is a pre-soak solid that loosens, softens and soaks away food soils and films from silverware, stainless steel, flatware and glass. It is also a superb silver detarnishing product.

PRODUCT FEATURES

- Formulated with a blend of detergents, emulsifiers and buffered alkali to effectively and safely loosen food soils from utensils before subjecting to mechanical or automatic dishwashing.
- A versatile product that's safe on all metals and works well even in hard water conditions.
- A multi-functional product that can also be used as a superb detarnishing agent for silverware.
- Extremely economic when used with Cleanslate automatic dispensing equipment; effective at usage as low as 1/2 ounce per 3 gallons water.
- Packaged in convenient, disposable capsules.

IDEAL FOR

Flatware, silverware, pots, pans, dishes, glassware and other kitchen utensils.
