### PRODUCT DESCRIPTION

## WHAT I AM

Mobile is a fully balanced detergent effective as a stand-alone product for personal clothing in on premise laundries and home-style machines.

### PRODUCT FEATURES

- As a fully balanced formula it is the ideal detergent for cleaning the mixture of oily and particulate soils common in personal clothing and mixed loads treated in industrial and institutional laundries as well as home-style machines.
- Because of the water conditioners built into the formula, it is equally effective at high levels of water hardness as in soft water.
- Soil suspending agents present prevents re-deposition of soils, hence graying and/or dulling of fabric is minimized. With the additional presence of optical brighteners, the clothing comes out of the washer/dryer sharp and bright looking.

### IDEAL FOR

Hotels, motels, health care facilities, nursing homes and restaurants.
