Novato

Automatic Dish Detergent

Fragrance Free
Item #4244

PRODUCT DESCRIPTION

WHAT I AM

Novato is a superior, non-foaming dishwashing liquid developed to deliver exceptional performance in high hardness and/or high solids water.

PRODUCT FEATURES

- Delivers exceptional performance in high hardness and/or high solids water where ordinary dish detergents leave residual film on dishes and foggy appearance on glasses.
- Generates no foam that can interfere with accuracy of dishwasher's operation.
- Contains a special polymer that decreases precipitation and adherence of inorganic salts to glass surfaces thereby eliminating 'spotting' of glassware.
- Contains water conditioners that reduce formation and build-up of scale and scum in dishwashing machines.
- Note: Do not use on aluminum, zinc and other soft metals.

IDEAL FOR

Restaurants, Cafeterias, Schools, Hospitals, and Nursing Homes.
