Reston

Restroom Cleaner

Fresh Scent

Item #4621

PRODUCT DESCRIPTION

Reston Concentrate is an acid-boosted bathroom cleaner engineered to power through lime scale, soap scum, and hard water stains. Formulated with biodegradable surfactants, citric and glycolic acids, and a refreshing scent, Yuma leaves behind a brilliant shine. Safe on porcelain, ceramic tile, stainless steel, and bathroom fixtures when used as directed. Not to be used on marble.

USE DIRECTIONS

Spray diluted Reston onto surface using a trigger sprayer or pump-up foamer.

Allow to dwell 15–30 seconds for heavy soil or scale.

Wipe clean with sponge, brush, or cloth. Rinse food-contact surfaces.

For disposals: Pour 2 cups in at night and rinse in the morning.

PRODUCT FEATURES

- Acid-boosted formula dissolves lime scale and soap scum quickly
- Biodegradable surfactants – safer for staff and the environment
- Fresh, fruity scent that leaves bathrooms smelling clean
- Highly concentrated – effective at low dilution rates
- Phosphorus-free and safe on most bathroom surfaces

SAFER & STRONGER ™

DUALFORCE™ Formula

Most cleaners target either scale or scum—Reston does both. Its dual-acid formula dissolves mineral buildup and organic grime fast. One product. Twice the power.

TOTALBATH™ Performance

Replaces multiple cleaners with a single solution that works across sinks, tubs, tiles and shower doors. Cuts complexity for staff and delivers a visibly deeper clean.

PRODUCT SPECIFICATIONS

Physical Description	Clear, slightly viscous liquid
Color	Green
Odor	Fruity / Green Apple
pH (as supplied)	<2
Flashpoint	>93°C (>200°F) Not flammable
Viscosity	20-30 cP
Detergency	Excellent
Solubility in Water	Complete
Conversion	1:5
