Rumford

Mop On Restorer

Fragrance Free

Item #4015

PRODUCT DESCRIPTION

WHAT I AM

Rumford is a concentrated, water-based cleaner and gloss restorer for floors. It is capable of restoring that "wet look" to floors. Rumford has excellent "repairability," it provides cleaning of the finish surface of floors and repairs deep scuff marks, as well as removing black heel marks. Rumford can eliminate the need for frequent mopping, stripping, and refinishing of floors. With Rumford, pre-burnishing restoration may be conducted 1 to 2 times per week, or just when significant gloss enhancement is needed (but deep scrubbing and recoating are not practical). Unlike some floor products, Rumford has a mild citrusy odor that is not harsh or overpowering.

PRODUCT FEATURES

- An excellent maintainer, leaving the finished surface spanking clean including removal of black heel marks while repairing deep scuff marks and scratches.
- A great restorer, resulting in floors re-acquiring a brilliant gloss without need to re-apply finish.
- Reduces need for constant mopping, stripping and re-finishing of floors.
- Very economical as only 1 – 2 ounces per gallon is sufficient in mop-on application and 2-4 oz. in auto-scrubber application.
- Ease of application as no rinse is required – burnishing that follows removes residues from the floor while it boosts the gloss.

OUR PROMISE

SAFER & STRONGER™

Get the best of both worlds with Cleanslate. Our products are powerful enough to tackle your grimeiest surfaces – yet gentle enough for your health & our planet.

Biodegradable Surfactants

Low Toxicity

Phosphorous Free

Cruelty Free

PRODUCT SPECIFICATIONS

Physical Description	Clear Liquid
Color	Water White
Odor	Mild Citrusy
Flashpoint	>200°F
pH	8.0 - 9.0
