## Premium Fabric Softener

Clean Breeze  
Item #4780

### PRODUCT DESCRIPTION

## WHAT I AM

Savannah is a premium liquid fabric softener for application to all fabrics in the final rinse cycle of a laundry machine. Exhibits superior softening properties combined with a long lasting and powerful 'clean breeze' scent. Reduces retained water in the fabric after the spinning or wringer-drying. Reduces friction for faster ironing.

### PRODUCT FEATURES

- Contains a proprietary textile absorbing silicone that combines with traditional softener quats to transform harsh and rough fabrics to uniquely soft textiles in one application.
- Renders textiles with a truly long lasting and pleasant 'clean breeze' scent, that can be felt many days after being removed from the hot dryers.
- Mostly eliminates need to iron permanent press fabrics.
- Imparts anti-static properties to synthetics including polyester, nylon, rayon and more.
- Is safe to use on all water washable fabrics.

### OUR PROMISE

## SAFER & STRONGER™

Get the best of both worlds with Cleanslate. Our products are powerful enough to tackle your grimmest surfaces – yet gentle enough for your health & our planet.

Biodegradable
