Venice

Citrus Scent

Fragrance Free

Item #4023

PRODUCT DESCRIPTION

WHAT I AM

Venice is a concentrated laundry detergent containing high levels of peroxide and low foaming emulsifiers, fortified with citrus terpenes to enhance oil and grease removal. It is designed specifically for personal loads, lightly soiled sheets and table linen, especially in assisted living and health care facilities; also extremely effective in shirt laundries when boosted with some alkali.

PRODUCT FEATURES

- As a peroxide based formula fortified with low foaming emulsifiers and a citrus terpene degreasing solvent it is extremely effective on personal loads, lightly soiled sheets and table linen.
- Used in conjunction with some alkali it is an exceptionally effective product for shirt laundering.
- Extends textile life because it obviates the use of chlorine bleach.
- Can be safely used in mixed 'white and colored' loads and on all water washable fabrics.
- Very economical because it does an excellent job without the need to employ alkalis, chlorine bleach, and sour.

IDEAL FOR

Hotels, motels, health care facilities, nursing homes and catering halls.
