Tacoma

Premium Gel Degreaser

Fragrance Free
Item #4016008
8-1 Quart

PRODUCT DESCRIPTION

WHAT I AM

Tacoma is a fast acting, penetrating and clinging industrial oven and stove cleaner that dwells for a long time on all surfaces making it the first choice for vertical surfaces and heavily encrusted and baked-on greases and food soils.

PRODUCT FEATURES

- Its thickened formulation provides the longer contact time required to penetrate, loosen and remove carbon deposits and encrusted and baked-on food soils and grime from difficult to reach areas and vertical surfaces.
- Contains non-flammable yet potent solvent that makes product safer to use on heated surfaces.
- Designed as ready-to-use cleaner that can readily be sprayed or brushed on horizontal and vertical surfaces for rapid and easy cleaning.
- Contains low foaming emulsifiers to aid in cleaning/degreasing without the problem of excess foam.

Note: Due to highly alkaline nature of formulation, do not use on aluminum, copper, galvanized, plastic composition tile, painted surfaces, and self-cleaning and/or continuous cleaning ovens.

IDEAL FOR

Ovens, grills, deep fat fryers, hoods, racks, burners, griddles, rotisseries and drip pans.

OUR PROMISE

SAFER & STRONGER™

Get the best of both worlds with Cleanslate. Our products are powerful enough to tackle your grimeiest surfaces – yet gentle enough for your health & our planet.
