Troy

Built Laundry Detergent

Fragrance Free

Item #459805 - 5 Gallon, #459815 - 15 Gallon

PRODUCT DESCRIPTION

WHAT I AM

Troy is a highly concentrated built laundry detergent which combines a fully balanced detergent with a heavy duty laundry break thereby eliminating the need for two separate products.

PRODUCT FEATURES

- A combination of a high concentration of emulsifiers with high levels of alkalinity make it a great one shot product for accelerated cleaning of mixtures of oily and particulate soils common in personal clothing and mixed loads treated in institutional laundries. It is also very effective for personal clothing in on premise laundries and ideally suited for hospitality linen in hotels.
- Very economical since it does the job of two products in one, a laundry detergent and a laundry alkali builder, and saves space and cost by not requiring an additional dispenser for an alkali builder.
- Water conditioners built into the formula make it equally effective at high levels of water hardness as in soft water.
- Special soil suspending agents present prevent re-deposition of soils, hence graying and/or dulling of fabric is minimized. With the additional presence of optical brighteners, the clothing comes out of the washer/dryer sharp and bright looking.
- Troy accomplishes so much while being environmentally friendly. It contains only biodegradable ingredients and no phosphates.

OUR PROMISE

SAFER & STRONGER™

Get the best of both worlds with Cleanslate.

Our products are powerful enough to tackle your grimmest surfaces – yet gentle enough for your health & our planet.

Biodegradable Surfactants

Phosphorous Free

Non-Flammable

Commercial Grade

PRODUCT SPECIFICATIONS

Physical Description	Clear Liquid
Color	Blue
Odor	Neutral
pH (1%)	13.0 - 14.0
Viscosity	Slightly Viscous
Weight per Gallon	11.05 lb / gal
Storage Stability	1 year
D.O.T. Shipping Label	UN3266, Corrosive Liquid, inorganic, n.o.s. (sodium hydroxide), 8, PGII

OPTIMAL APPLICATIONS

Hotels, motels, health care facilities, nursing homes, commercial laundries, restaurants, food plants and meat plants.
