Troy

Built Laundry Detergent

Fragrance Free

Troy contains a combination of a high concentration of plant-based emulsifiers with high levels of alkalinity, water conditioners and optical brighteners. This makes it a great 'one shot' product for accelerated cleaning of mixtures of oily and particulate soils common in personal clothing and mixed loads treated in institutional laundries. It is also very effective for personal clothing in on premise laundries and ideally suited for hospitality linen in hotels.

DIRECTIONS FOR USE

Troy is for industrial use only. It should be used in a wash formula specifically designed to meet the needs of your facility.

Consult your Cleanslate technical representative for specific use directions.

DANGER HAZARD STATEMENTS

Causes severe skin burns and eye damage.
May be corrosive to metals.

PRECAUTIONARY STATEMENTS

Wear protective gloves, splash goggles, face shield, full suit, vapor respirator and boots. Do not breathe mist/vapors/spray. Wash thoroughly after handling.

FIRST AID

Eye Contact. Check for and remove any contact lenses. Flush with large quantities of water, holding eyelids open for 15 minutes. Seek medical attention immediately. **Skin Contact.** Wash skin with copious amounts of water. Seek medical attention immediately. **Inhalation.** Remove to fresh air. Seek medical attention immediately. **Ingestion.** Do not induce vomiting. Drink copious amounts of water. Seek medical attention immediately.

STORAGE

Store in original container protected from sunlight, in a well ventilated area, away from incompatible materials, and food and drink. Keep out of reach of children.

SPILL/LEAK

Avoid runoff into storm sewers and ditches which leads to waterways. Absorb spillage with an inert dry material and place in an appropriate waste disposal container.

DISPOSAL

Dispose of material in accordance with local, state and federal regulations.

HAZARDOUS INGREDIENTS

Sodium Hydroxide (1310-73-2)
