

TECHNICAL BULLETIN

Lima

Laundry Destainer

Powder

Item #428050

50 Gallon

PRODUCT DESCRIPTION

WHAT I AM

Lima is a white, free flowing granular laundry bleach powder formulated with alkaline builders and an organic chlorine-releasing compound. Its rapid solubility and chlorine availability allows it to be added directly to the wash wheel.

PRODUCT FEATURES

- A free-flowing granular chlorine bleach alternative to pure commercial liquid chlorine bleach, with over 12% available chlorine.
- Chlorine releasing compound dissolves completely at normal operating temperatures, thus it's extremely effective at removing many of the most difficult stains at relatively low temperatures.
- Visibly improves brightness and whiteness especially on textiles that have grayed and yellowed with repeated laundering with Stockton.
- Freshens fabric as it is an effective odor eliminator.
- Easy and safe to use with no pre-dilution required.
- Stable for at least one year with little loss of chlorine, unlike the unstable liquid chlorine bleach.

IDEAL FOR

Hotels, motels, health care facilities, nursing homes and food establishments.

OUR PROMISE

SAFER & STRONGER™

Get the best of both worlds with Cleanslate.

Our products are powerful enough to tackle your grimeiest surfaces – yet gentle enough for your health & our planet.

Commercial Grade

Non-Flammable

Fast Acting

PRODUCT SPECIFICATIONS

Physical Description	Free flowing granular powder
Color	White
Odor	Bland
pH (1%)	10.0
Density	75 lbs./ft ³ packed density
Weight per Gallon	8.9 lb / gal
Storage Stability	1 year minimum
D.O.T. Shipping Label	Not regulated

OPTIMAL APPLICATIONS

Laundering of personal clothing in senior assisted living facilities, lightly soiled sheets and table linen in health care facilities and smaller catering facilities, and white and colored shirts in shirt laundries.
