TECHNICAL BULLETIN

Fresno

Air Freshener

Ocean Breeze

Item #4623

PRODUCT DESCRIPTION

Fresno is a ready-to-use air deodorizer and freshener formulated to neutralize tough odors instantly while leaving behind a fresh, balanced scent. Ideal for direct application on surfaces, fabrics, and into the air. Whether tackling odors in restrooms, trash zones, or common spaces, Fresno RTU simplifies odor control without the need for dilution or mixing.

USE DIRECTIONS

Spray directly onto surfaces or fabrics and allow to air dry.

For space deodorizing, mist toward four corners and center of room.

For garbage disposals, pour 2 cups in at night and rinse in the morning.

PRODUCT FEATURES

- Ready-to-use—no dilution required
- Neutralizes odors instead of masking them
- Safe for air, fabric, and hard surfaces
- Clean, non-overpowering ocean breeze scent
- Fast-acting formula with broad application range

SAFER & STRONGER™

ODORLOCK™

Instead of masking odors, Fresno neutralizes persistent odors eliminating them at the source, for longer-lasting freshness.

TOTALSPACE™

One product for fabric, surface, and air. Simplifies odor control protocols across diverse facility areas.
