# Palmdale

## Premium Solid Pot Detergent

Lemon Mint

Item #462510

## PRODUCT DESCRIPTION

Palmdale is a versatile ultra concentrated high sudsing pot and pan solid detergent. It is suitable for manual cleaning of all kitchen utensils. Especially formulated with a superior blend of emulsifiers and wetting agents to cut grease on heavily soiled pots and pans.

### PRODUCT FEATURES

- Formulated with foam stabilizing agents allowing foam to 'hold' for extended periods while soaking dishes clean.
- Formulated without alkali so it's mild on hands.
- Product rinses free making it ideal for use on dishes, glassware and silverware.
- Product is effective in all water conditions.
- Very economical when used with Cleanslate automatic dispensing equipment.
- Palmdale is phosphate free, biodegradable and safe on all metals including aluminum.

## SAFER & STRONGER™

### Maximum Cleaning Power

Ultra-concentrated solid detergent blasts through grease and food soils, keeping pots and pans cleaner with less scrubbing and less effort.

### Mild on Hands, Tough on Grease

Formulated with Dermaguard™ Balance Technology, a specialized system that delivers high-foaming grease-cutting performance while reducing harshness to hands and remaining safe on all metals.

### PRODUCT SPECIFICATIONS

Physical Description	Solid block in capsule
Color	Blue
Odor	Lemon
pH (1%)	7 - 9
Density	N/A
Storage Stability	1 year minimum
D.O.T. Shipping Label	None

### AVAILABLE SKU

#### Pack Size

4 Capsules
