Reston

Restroom Cleaner

Fresh Scent
Item #4055

PRODUCT DESCRIPTION

Reston is a ready-to-use, acid-enhanced bathroom cleaner designed to power through lime scale, soap scum, and bathroom grime. With a balanced blend of glycolic and citric acids, it cleans sinks, tubs, tiles, and fixtures quickly. Leaves a fresh scent behind. Safe on porcelain, ceramic, stainless steel, and more when used as directed. Not to be used on marble.

USE DIRECTIONS

Turn nozzle to ON position.

Spray surface from 6–8 inches away until thoroughly wet.

Allow to dwell 15–20 seconds for soap scum or lime scale.

Wipe clean with a cloth or sponge. Rinse bathtub/shower surfaces with water.

PRODUCT FEATURES

- No dilution required—ready to use right out of the bottle
- Dual-acid formula targets both soap scum and mineral deposits
- Biodegradable surfactants—better for the environment
- Fast-acting with a streak-free finish
- Non-flammable and phosphorus-free

SAFER & STRONGER™

DUALFORCE™ Formula

Most restroom cleaners target either scale or scum—Reston does both. Its dual-acid formula dissolves mineral buildup and organic grime fast. One product. Twice the power.

TOTALBATH™ Performance

Replaces multiple cleaners with a single solution that works across sinks, tubs, tiles and shower doors. Cuts complexity for staff and delivers a visibly deeper clean.

PRODUCT SPECIFICATIONS

Physical Description	Clear liquid
Color	Light green
Odor	Fruity / Green Apple
pH (1% sol)	3
Flashpoint	>93°C (>200°F) Not flammable
Viscosity	Similar to water
